

Sponsorship Expression of Interest Form

Here at the Steam Exchange Brewery we receive a constant stream of requests for sponsorship of charities, and fundraisers for clubs, schools, sporting groups and rallies for enthusiasts of a variety of hobbies. The list is endless and as a small family-owned business, finding a balance between serving both the needs of our local community and the charities we are involved with is difficult given the number of requests we have to deal with. Please supply your information to us in the form below and return it to us via Fax (85551647) or email (steamexchange@bigpond.com).
