

The Steam Exchange Brewery Summer / Autumn Newsletter 2008

Summer Events

Sailing

With the beginning of the warmer weather the Steam Exchange were proud sponsors of the Opening Race of the Vintage Yachts. A glorious sunny afternoon ensured that the season was off to a great start and the view of sails on water was even better while sipping amber ales from the Brewery.

Andrew Winton on guitar

Beer and Blues

Adelaide Cup Day saw an afternoon of swamp, stomp, blues and lap slide guitar enjoyed by all ages with Andrew Winton and Paul Novosel on tour from Western Australia. With Andrew on vocals and Paul on percussion we were treated to a variety of well-known and original music. The crowd indulged in their favourite beers and sampled the delicious locally made Paris Creek pies and Steam Exchange cheese platters.

What's New...

Seasonal Ales

The onset of hot weather meant the newly brewed Summerfest certainly made a splash with customers. A much lighter pilsner style ale with German hops in the finishing, offered cool refreshment from our seasonal taps. Other specialty ales including the Oaked India Pale Ale, Porter and Truffles continued to be popular throughout the holiday period. For all those who have consistently requested the Truffles to be bottled – persistence has paid off - it will be released this winter as a limited run. Beery good news for many! So look for the new addition to our bottled beer behind the bar as those cooler months approach.

Branching out...

The Brewery has now branched out with new refreshments for non-beer drinkers. The Alfresco Steam, a rose style wine, made with our producer's license, during the 2007 vintage has been well received with visitors. The wine is available by the glass and in bottle for take-away. Another welcome addition has been coffee, which will be appreciated even more in those winter months. These are all new reasons to come down and visit.

Cheers and beers from the Steam team.
